METAL ANTI-KINK CASING | FLEX-TAGS | FIRE SLEEVE | CRYOGENIC INSULATION  
| SPIRAL HOSE WRAP | SPRING GUARD

## FITTING OPTIONS

ALL COMPONENTS COME STANDARD IN 316 STAINLESS STEEL. OTHER MATERIAL OPTIONS AVAILABLE

Mini Sanitary

Female Pipe (NPT) Hex

Female JIC Swivel

Female Face Seal

Sanitary Tri-Clamp

Male Pipe (NPT) Hex

Female Pipe Adapter

AN Fitting

Female Bevel Seat

Male Union (NPT)

Male Pipe Adapter

Female I-Line

Female Union (NPT)

Compression  
Tube Adapter

Female Cam-Lock

Male Bevel Seat

Male Cam-Lock

Buttweld Tube or Pipe

Flange Retainer

### WHY FLEXFIT HOSE?

1. **Demonstrated quality**- from fabrication to the way we clean, bag, label, provide certs/reports and pack/ship our products.
2. **Faster delivery** - quotes are returned same, or next day and deliveries are typically 1-3 days *for standard products in stock - some limitations apply*
3. **Customer service excellence** - we get back to you, communicate regularly and we focus on what you need.
